

# SARANGI

## *The sound of one hundred colours*

**Dr Deepak Paramashivan**

**Thursday April 20 7:30pm**

**UC Arts City Campus  
School of Music Recital Room  
'Old Chemistry' Entrance off Hereford St  
Arts Center**

*Enjoy a concert by the award-winning authority on Sarangi, an ancient and endangered bowed and short-necked 40-stringed instrument from India, known for its soulful sonority and an uncanny ability to reproduce almost all the myriad emotional expressions that emanate from the human voice.*
