why

ToIndia and the European Association for South Asian Studies organise the 2026 international PhD workshop.

The workshop offers an interdisciplinary and dialogic forum, bringing together PhD candidates working on South Asia in the humanities and social sciences. It will be a collaborative academic environment for discussing and sharing diverse perspectives across disciplinary approaches, methodological orientations, thematic concerns and researchers' positionalities.

Participants will present their work and will receive in-depth feedback from six senior scholars in South Asian studies. Contributions are welcome on all topics and aspects of South Asian studies.

Should your proposal be accepted, EASAS membership will be required (€20 for students)
